Footloose Fun Facts

1. Footloose is based on the 1984 film that featured the Kenny Loggins song, 'Footloose,' and starred Kevin Bacon.
2. It's a true story! Based on real events that happened in Elmore City, Oklahoma, that actually had a law forbidding dancing. The local high schoolers petitioned for the law to be revoked, so they could hold a prom.
3. Footloose opened on Broadway in 1998.
4. This show also features many favorite 80's hits - see how many you can recognize!
5. We have a total of 39 students involved in this production and for 7 students, this is their first production!
6. We have collaborated with both Wenatchee High School and Central Valley High School in Spokane to borrow sets, props and costume pieces.
7. Mr. Heuker's advanced construction class built the stairs on the set.
8. Our total rehearsal count before opening night is 42.

15 Minute Intermission Between Acts

A Note From the Director...

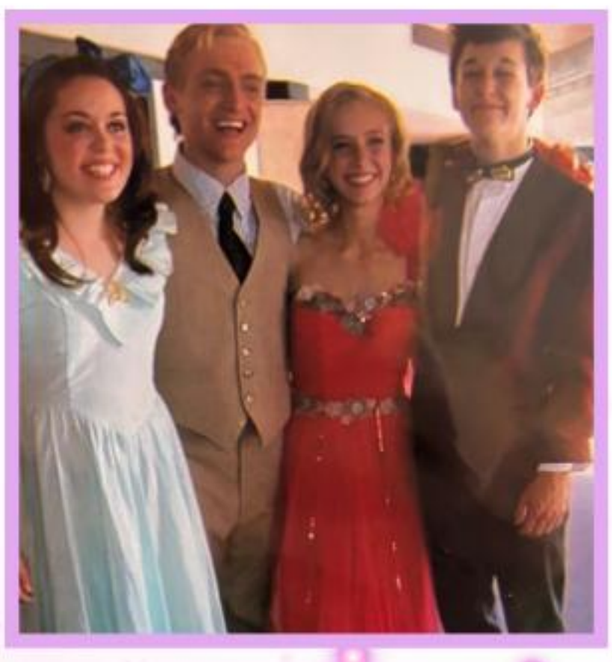

It's a full circle moment for me to be producing *Footloose*. When I was eighteen, I performed as Rusty at the Spokane Civic Theatre for a teen summerstock. That experience changed my life; and where I met friends I am still close with today. The 'Footloose' sign you see hanging above you, is actually from that very production, and has been featured in numerous *Footloose* productions over the Inland Northwest. To this day, this show holds a very dear place in my heart and has always been a question as to whether I would decide to direct it myself.

This story is a cautionary tale about what can happen when people hold onto the past and cease in growing their ideals for the future. Throughout history, teenagers have always been a catalyst in standing up for wrongs and fighting for rights; not only for themselves, but for others. I have always believed that teenagers are the most 'underrated' age group because they have the power to *empower* and do it every single day.

Thank you for choosing to support us by coming today, and feel free to dance, and 'cut loose!' I would like to dedicate these performances in loving memory to my dear friend, David Malinak, who played Ren all those years ago.
